Come Together Right Now

May 1, 2004 By Staff

Unity! Solidarity! One plague, one people! In the pages paved by *POZ*, Planet has led a 10-year chant to speak up for meds and shout out against crooked politicos, keeping our finger to the pulse of the world. In a tiring march toward an unforeseeable end, you, comrade, have come miles. To keep you well nourished, the following pages collect accomplishments of days gone by and heroes unnoticed. Trust us—it's a long haul to the finish, but by joining hands, we can make it.
