New Sexual Health Clinic Opens in Las Vegas

June 14, 2012

The Southern Nevada Health District has opened a new health clinic in Las Vegas to provide testing and counseling services for HIV and other sexually transmitted infections, Fox 5 News reports. The new facility, located at 400 Shadow Lane, Suite 106, will serve as the area's primary HIV clinic, taking over from temporary clinics established at the East Las Vegas Public Health Center and the Henderson Public Health Center. Clinic services include walk-in testing, treatment, exams, referrals and counseling.
