India and 12 countries in Africa will receive $3.8 billion in treatment and prevention aid from the Clinton-created Leadership and Investment in Fighting Epidemic (LIFE) initiative, reported the All Africa news service in August.

Botswana's government will provide free HAART to the country's HIVers through public health clinics, thanks to the Bill and Melinda Gates Foundation, President Festus Mogae said in August. 36% of residents are positive.

Ohio's Planned Parenthood served up a $5 voucher for McDonald's with a side order of 12 condoms and safer-sex pamphlets in a new effort to target local youth. The anti-abortion group Human Life International opposed the outreach, claiming it targeted "low-income neighborhoods."
