# Happy Halloween

October 31, 2008 By Shawn Decker

## It’s Halloween! One of my favorite times of the year! That’s why I’m turning off my brain, and turning the blog over- for the very first time-, to a special guest: Frankenstein…

But, before I do so, I want to post a couple of funny videos. Here are some not-so-scary outtakes from the Dark Shadows TV series, which, upon first glance, should have been called “The Fly”.

Alright, have fun tonight and eat lots of candy. I am off to scare children in my Frankenstein costume- that’s how I get my free candy.

Positively Yours,

*ArRRrrrRRGGGGGAHGH!*
