Inside Job? 700,000 Condoms Stolen

February 10, 2011 By Shawn Decker

I love the game Clue. I just pulled off a major upset in my household when I beat Gwenn a week or two ago. So I'm in the mood to solve a crime, and this one is right up my alley...

It's the case of the *700,000 stolen condoms!* For real. Check out the story on MSNBC. It all went down in Malaysia. I've got the suspects narrowed down to a few people. My hunch is that it was the Italian government, trying to cut corners in rough economic times. Why would they steal so many condoms? Well, the cast of *Jersey Shore* is headed to Venice.

If you've got any ideas, I'd love to hear them.

Positively Yours,
Shawn
