When it comes to celebrities, America has a "monkey see, monkey do" approach. (Remember Ugg boots?) If the rich and famous don't practice safer sex, can mere mortals be expected to practice it too? A video guide:

Paris Hilton, One Night in Paris (2004)
The hotel heiress was caught getting freaky with her then boyfriend Rick Solomon. Love glove? Nuh-uh. Paris, you don't want to be famous for doing nothing and for having unprotected sex.

Colin Farrell, Untitled (2003)
Known for his foul mouth and his Miami vice, the Irish actor filmed himself and Playboy model Nicole Narain. Love glove? No. Next time, Colin, cover your Sonny Crockett!

Kim Kardashian, Kim Kardashian Superstar (2007)
Before *Keeping Up With the Kardashians*, this bootylicious socialite was the main attraction in a tryst with R&B singer Ray J. Love glove? Nope, yet Trojan still approached Ray J. to be its spokesperson.
