A Brief Hiatus

March 19, 2013 By Shawn Decker

So no new video on this fine Tuesday. Partly because of the last video- we are getting ready for the Vail Film Festival, which has inspired me to get back to work on the screenplay to my book, My Pet Virus. In addition to that excitement, the last two weeks have seen some medical drama in the family (not mine- things are much easier for me when I'm the one that's sick)... plus, Gwenn and I have some additional traveling on the horizon.

Not sure when we'll crank up the videos again- my guess is that we'll be up and running again in mid-April. There's always the chance that I'll get some of our travels on the trusty iPhone video, if so I'll post them here.

Either way, I hope this message finds you well!

Positively Yours,
Shawn
