Coming Attraction...

March 6, 2009 By Shawn Decker

"*You know, Steve, when you told me you wanted to review **Watch Men**,
I thought you just wanted to watch a gay porn.*" - Hemo (Shawn)

Decker. *Schalchlin.* Hemo. *Homo.*

Back together again as the most dynamic movie reviewing duo living with AIDS. Witness their dramatic return to this blog on Monday, and go see the movie so you know what the hell they are talking about.

And. most importantly, don't forget to dare to believe again!
