Editor’s note: We’re excited to introduce you to our newest POZ bloggers: David L. Massey and Johnny T. Lester. When we first came across their web series on DavidAndJohnny.org, we were immediately won over by their charm, intelligence and humor—and by the subject matters they explore as a serodiscordant couple (that means one of them is living with HIV while the other is not).

Watch below as they promo their new Table Talk series for POZ.com. And be sure to visit here regularly for upcoming posts and videos. We’re really looking forward to hearing more from these guys—and so will you.
