Decker’s Daily Has Been Renewed

January 12, 2011 By Shawn Decker

I’m holding true to my New Year’s resolution to blog every day in January! 12 days in, 12 blog posts! Better yet, Decker’s Daily has been renewed for another season. I was inspired to do so because of the donation of Joyce Anderson, who was inspired by the Top 10 Mocha Moments list. Thanks!

If I made a Top 10 Worst Mocha Moments list, then yesterday would definitely have cracked the Top 5. I was at home, and Gwenn was going to bring me an iced mocha from the coffee shop. Along her way, a squirrel ran out in front of her car... she swerved, a move that saved the squirrel’s life but ended that of my beloved drink.

When she told me what happened the first words out of my mouth were, “I would have understood if it was a cat... but a squirrel?”

That’s okay- I’ve survived worse unexpected events in my life, and I take comfort in knowing that many more mochas await me. And I’ll be posting more blog entries per my mandate. Regular blogging is actually kind of fun, I’m not a new year’s resolutions kind of guy, but this one has worked out well and will probably get me in the habit of not ignoring the ol’ blog.

Positively Yours,
Shawn
