Johnny Knoxville Interviews a Wrestler

October 8, 2008 By Shawn Decker

You may remember the Great Khali, I suggested him as a potential debate substitute for Sarah Palin- who held her own- last week.

Well, good thing that the McCain camp isn't taking my advice... because recently, Johnny Knoxville interviewed The Great Khali, and things went worse then when I interviewed Ric Flair on the telephone earlier this year. Apparently, wrestlers don't like being asked about their penises.

Positively Yours,

Shawn
