Labtest Contest VIII: Guess My T-Cells... Win a Shirt!

September 18, 2012 By Shawn Decker

It’s that time again- time to guess my t-cell count for the chance to win a fabulous prize! So what is the prize this time around? It’s a shirt of your choosing. You can select a Synthetic Division t-shirt (featuring the incredible artwork of late, great artist Barton Benes) or a safe sex shirt. Check them both out below.

Former champ Charles Oliff models a Screw Smarter t-shirt. Sharanya models the Synthetic Division t-shirt!

Feeling lucky? Then take a guess for a chance to win! Post your guess on my Poz blog Comments section- see the official rules below. Good luck!

Positively Yours,
Shawn
