Last Day to Guess in the Labtest Contest

January 12, 2012 By Shawn Decker

It’s your last chance to win a wonderful prize by being the closest guess to my actual t-cell count! Win either a signed copy of My Pet Virus, a Synthetic Division CD or an iced mocha. Just post your guess in the Comments section of this blog post, and make sure you read the Rules. Just for reading my blog you get this beautiful photograph I took of tubes waiting patiently to be filled with blood in the lab.

Positively Yours,
Shawn
