My Bad, Robert Smith

May 8, 2008 By Shawn Decker

In yesterday's blog, I wrote that Robert Smith has worked with Ashlee Simpson... that hasn't happened. Was a rumor started by Entertainment Weekly last year.

Here's one thing Entertainment Weekly got right: "My Pet Virus is a sweet reminder that no matter how bad things get, there's no reason to stop laughing."... Was this all an excuse to post that again?

Maybe.

Someone else who has never worked with Ashlee Smith is Anita Mann. If I were Ashlee, I'd have my peeps contact Miss Mann immediately.

OK, off to a doctor's appointment today. Will have new lab results next week, though, thankfully, there hasn't been much drama in that department. We'll see how the recent caterpillar episode and watching The Orphanage has affected those Mr. T's.

Positively Yours,

Shawn
