Obama vs. McCain on HIV/AIDS

October 24, 2008 By Peter Staley

Sean Strub, founder of POZ Magazine, has some great quotes in this article in The Washington Blade.

Strub said McCain?s ?continued referencing? of Sen. Tom Coburn (R-Okla.) ?as his go-to guy on AIDS should send chills down the spine of everyone with HIV as well as those who care about us.?

If you are HIV positive, McCain/Palin should scare you deeply. If they don’t, you are not paying attention.
