Ripley’s You Better Believe It

April 28, 2014 By Shawn Decker

Vaughn Ripley is a man on a mission. With over 30 years of living with HIV under his bike shorts, the avid cyclist, dad and author of *Survivor: One Man’s Battle With HIV, Hemophilia and Hepatitis C* is ready to tackle his next goal: be the first openly HIV positive man to grace the cover of Men’s Health Magazine.

The cool part about all of this? We can help make it happen. Go here to vote for Vaughn. He got a retweet on Twitter from William Shatner, but if he’s going to get beamed up to the cover he’s going to need your help, too!

Positively Yours,
Shawn
