

# 17 Images That Capture the Spirit of AIDS Activism Right Now

Check out these Instagram posts—including music and movies—from this year’s United States Conference on AIDS.

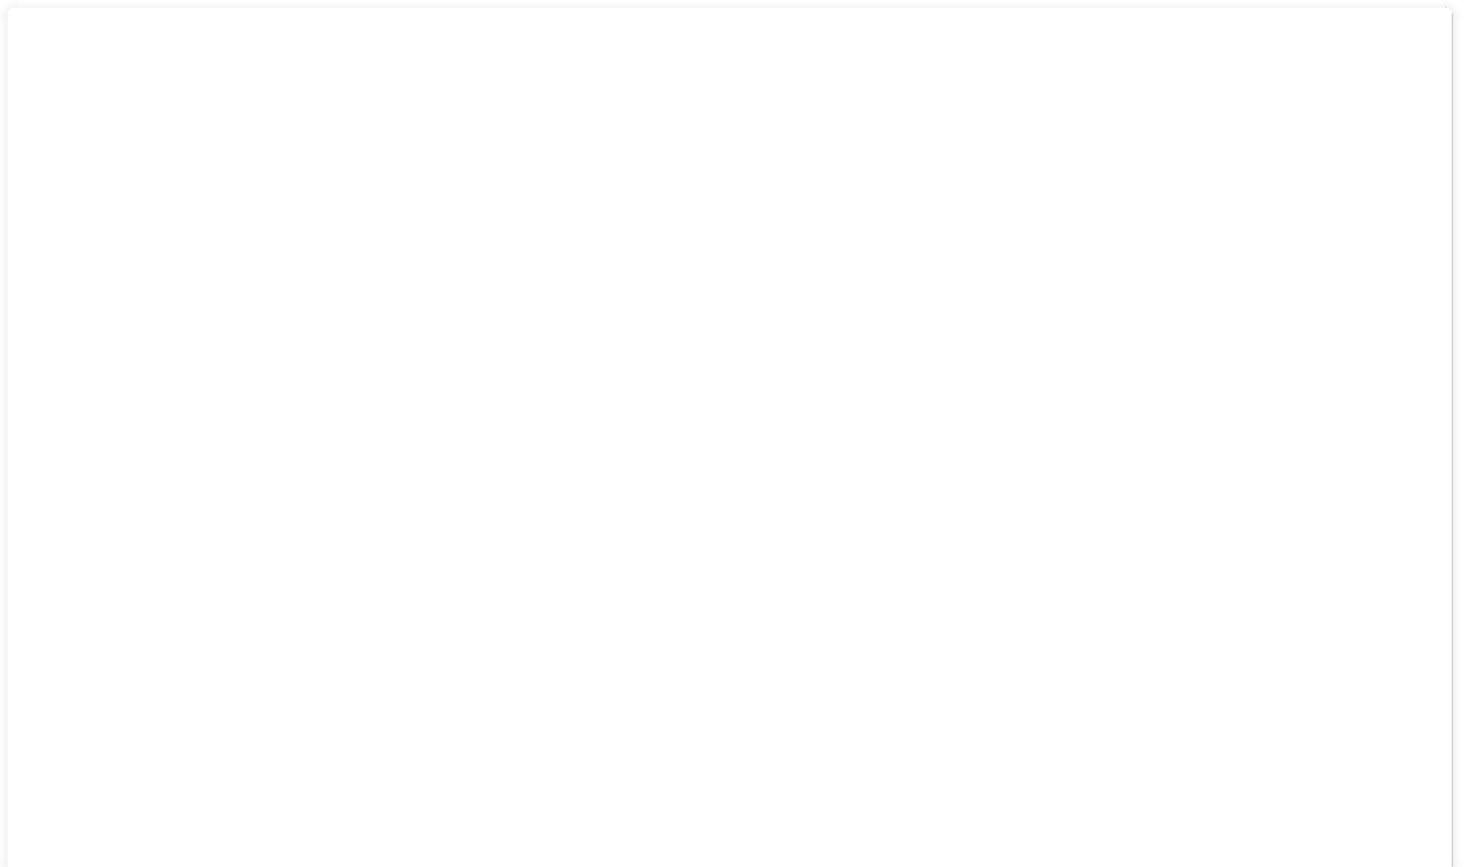

September 19, 2016

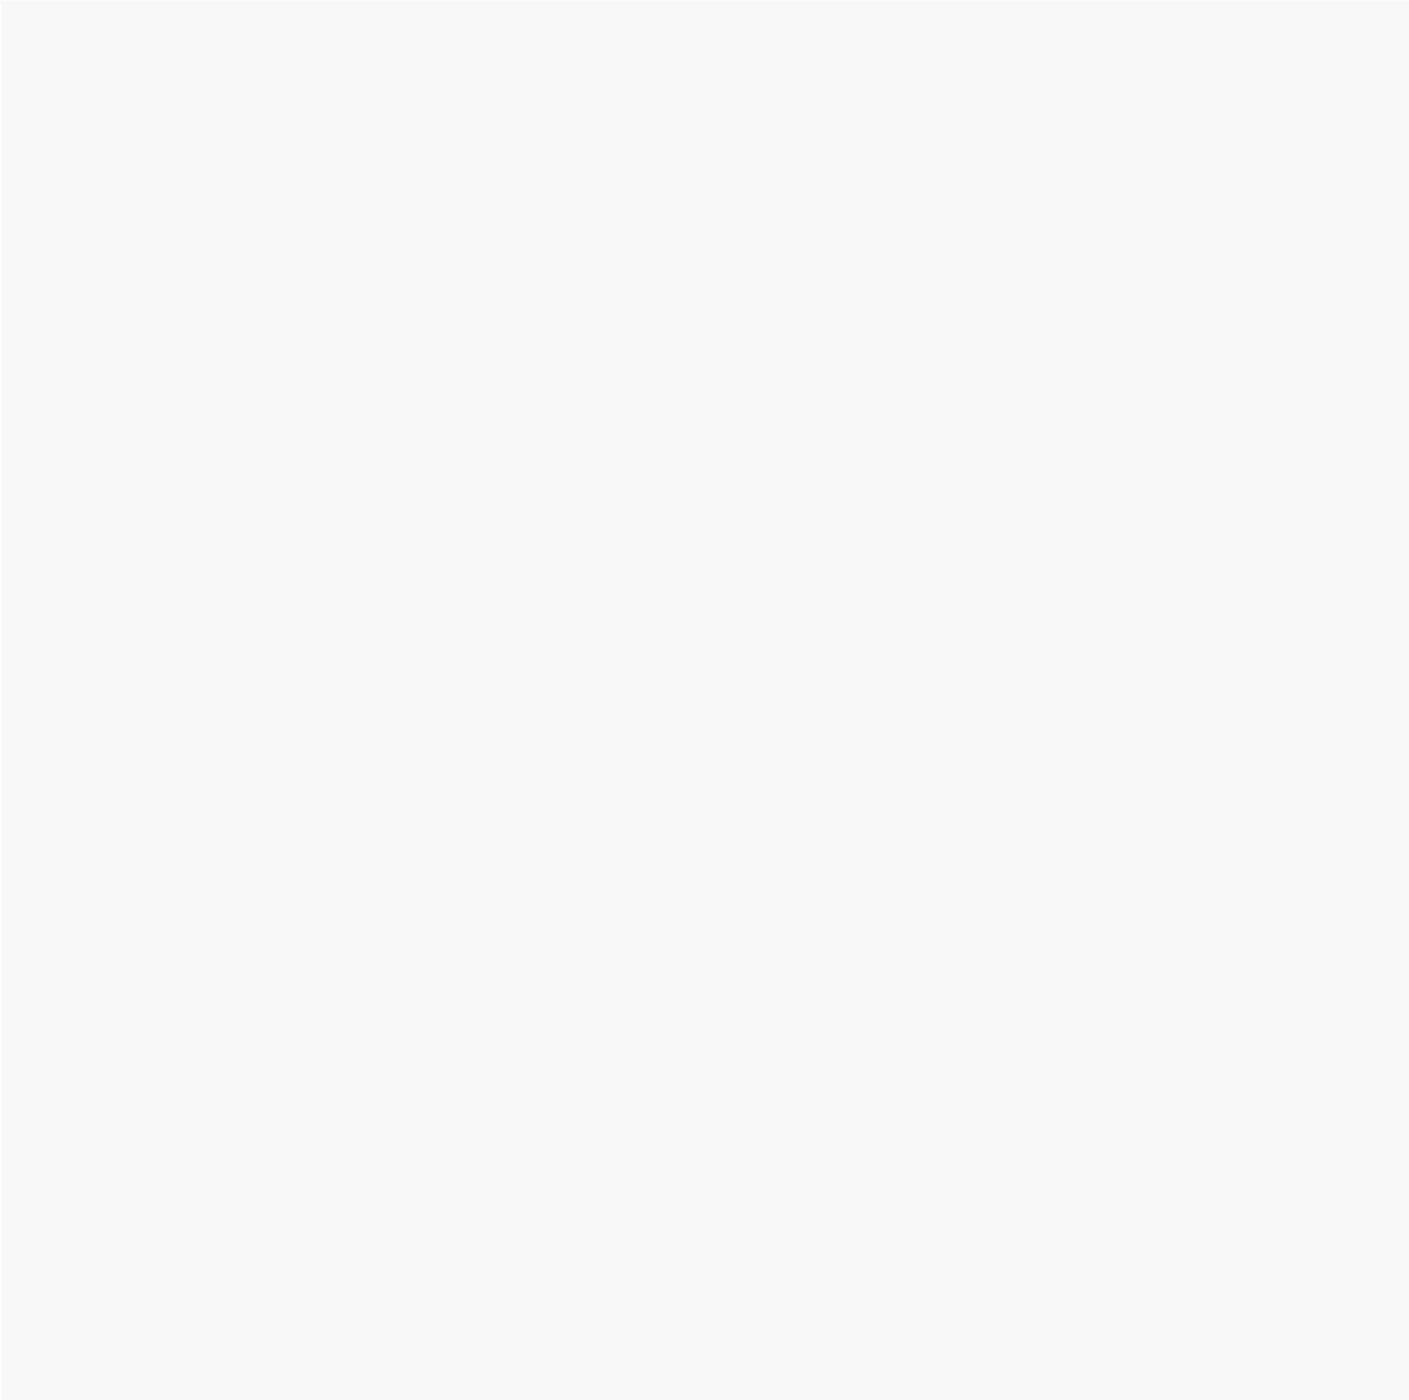

---

The 20th annual United States Conference on AIDS ([USCA](#)) took place September 15 through 18 at Hollywood, Florida. Sponsored by the National Minority Council on AIDS (NMAC), the conference offered panel discussions, round table discussions, research presentations, networking opportunities and a heck of a lot more.

If you couldn’t attend, don’t fret. Thanks to social media posts from those who did make it, we’re all able to partake in the conference’s community-building and educational offerings.

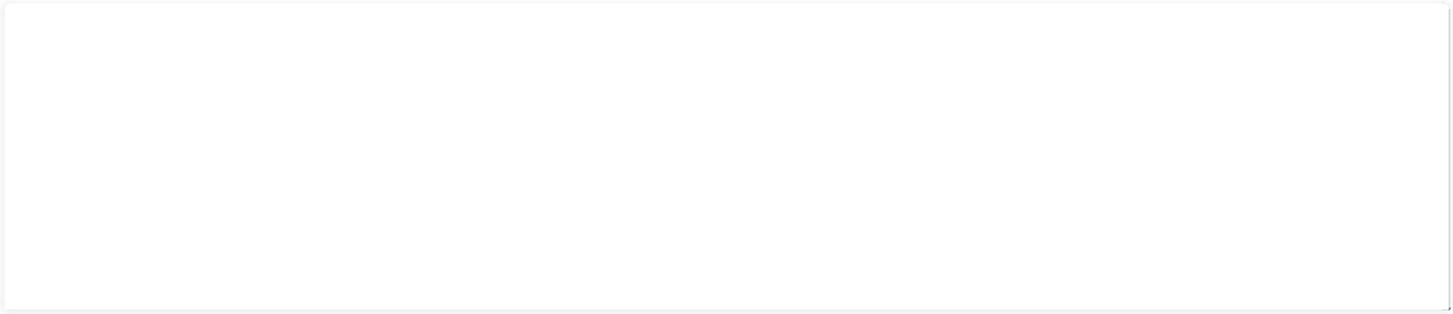

Below is a collection of Instagram posts from this year’s event. Search the hashtag [#2016USCA](#) to find many, many more.

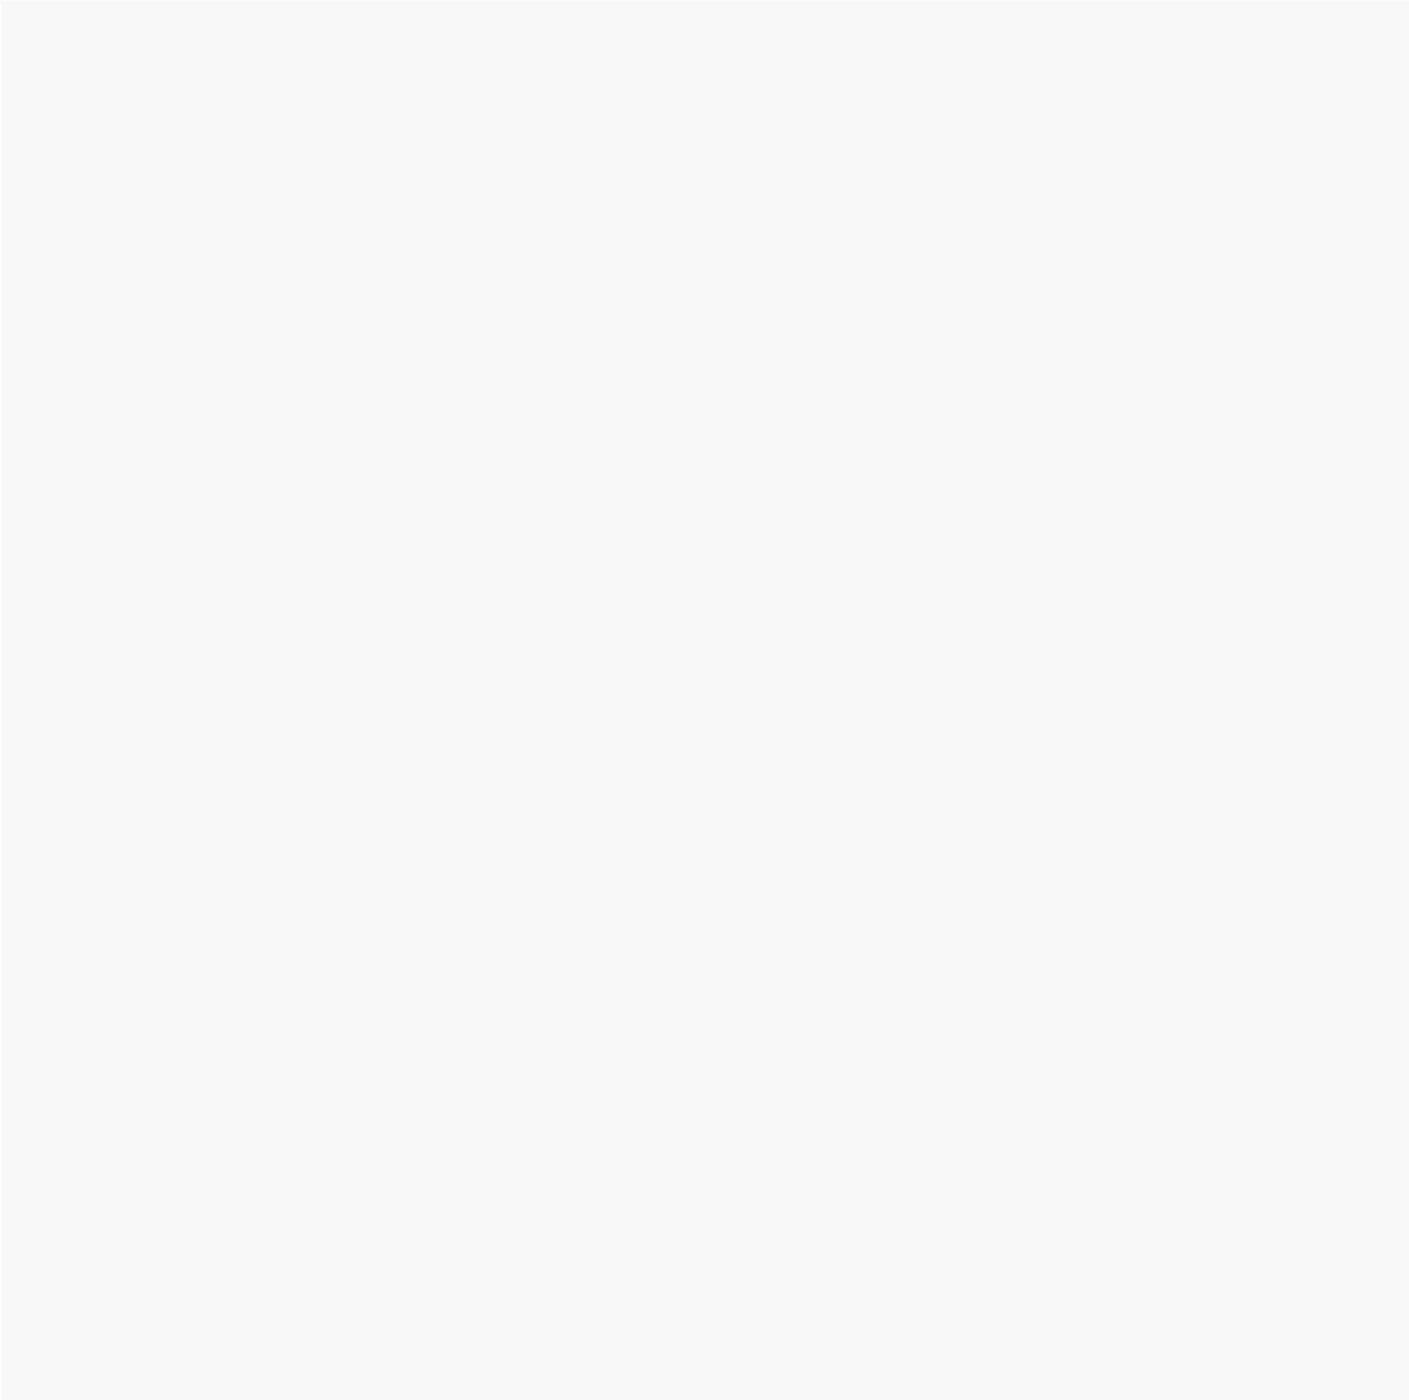

We just got to #2016USCA! We are excited to be here and can't wait to bring you updates, live interviews and glances from our experience! Stay tune for more.
