Sean Strub on Jesse Helms

July 18, 2008 By Shawn Decker

Sean Strub, founder of Poz Magazine and overall badass, has written about the passing of Jesse Helms over at the Huffington Post. Check it out: http://www.huffingtonpost.com/sean-strub/condomizing-jesse-helms-h_b_113329.html

Sean shares an incredible story about an early 1990's caper, involving himself, Peter Staley and a handful of renegade positoids placing an enormous condom over the home of Jesse Helms in Arlington, Virginia. A giant condom for a giant dick.

A "fitting" tribute.

Positively Yours,

Shawn
