VLOG: Truthloader Interview, Win a Book!

January 15, 2013 By Shawn Decker

Our second video of the new year? It’s mainly an interview we did with Truthloader, a new YouTube Channel dedicated to providing the truth on a vast array of topics, HIV included. Gwenn and I were honored to be selected as their featured vloggers this week!

Also, watch our video to find out how you can win an autographed copy of my book, My Pet Virus. Hope everyone is doing well!

Positively Yours,
Shawn
