VLOG: Happy Thankful Day

November 19, 2012 By Shawn Decker

For me and Gwenn, Thanksgiving is all about taking a step back and realizing what we are thankful for. I am thankful daily for having a healthy relationship, for living through the fearful years of my HIV diagnosis- the years when I was too afraid to ask questions. In this vlog, we talk about how we met, and why that encounter is what we are most thankful for.

I give a special shout out to Ryan White for making it happen. Watch and find out why.

Positively Yours,
Shawn
