# A Great Hydeia

May 1, 2000 By Kevin O'Leary

Who’s that girl?” cried fashionistas when they saw the new face of FUBU (For Us By Us), the über-popular clothing line for the hip-hop set. While Donna and Calvin may have been reaching for their golden Nokias, HIVers ahead of the curve recognized the model as easy, breezy, beautiful *POZ* cover girl (October 1997) and Essence “Spirit” award winner Hydeia L. Broadbent. The 15-year-old Las Vegan is a fighter from birth—she braved the pediatric ward and the talk-show circuit—but can she handle the catty runways of Milan? Keep in mind that galpals call the four-feet-and-rising star Ms. B—for big and bossy—a hint that she is more than ready for her close-up. Tommy, take note.
