Book on the ABCs of LGBT History Includes HIV/AIDS

September 17, 2015 By Trent Straube

Here’s a back-to-school gem: Gay & Lesbian History for Kids: The Century-Long Struggle for LGBT Rights, with 21 Activities. Packed with fun and facts, Jerome Pohlen’s book doesn’t push the AIDS epidemic to the back of the LGBT class. Larry Kramer, Treatment Action Group, ACT UP, the AIDS Quilt—they’re all present in surprising detail, and there’s even an activity built around the red ribbon. The history book is marketed for readers ages 9 and up. Though really, everyone could use this kind of education.
