Calling All Dykes

August 1, 2000

We know there are HIVer lesbian and bisexual women out there (see "Of Dykes & Data," *POZ*, February 2000) but with so few numbers available to gauge the real risks of girl-on-girl action, it's hard to know what's safe and what requires the trusty Saran Wrap. Researchers at these three sites are looking for HIV positive women who have had sex with other women:

San Francisco:
Fem to Fem, 888.609.5367

Washington, DC:
WOW, 202.939.7896

New York City:
WOW, 718.920.7296
