Nurse pushes religion on PWA

April 1, 1998

---

Pulling a Nurse Ratched from *One Flew Over the Cuckoo's Nest*, a born-again fundamentalist told her PWA charge that he would burn in hell if he didn't jettison his homosexuality for Jesus. Kenneth Johnson said that visiting home-care nurse Jo Ann Knight abused her authority by preaching fire and brimstone while he lay in bed with a feeding tube in his chest. Johnson and his partner filed a suit against Knight in New Haven U.S. District Court last November. The litigious lady in white, who was suspended for two weeks without pay as a result of the couple's initial complaint, has sued her boss for violating her free-speech rights and punishing her for her Christian beliefs.
