Her So Good

August 1, 2001 By Anne Jacobson

Despite its ho-hum title, the new federally funded **Guide to the Clinical Care of Women With HIV** is the best bet for the bedsides of wise gals and those who love ’em. The 508-pager is billed by its government makers at **HRSA** as a must-have for better women’s care. Don’t expect just the usual pregnancy chapter—the guide covers concerns both cultural and gynecological. The girl on the go can get one free by e-mail, womencare@hrsa.gov, or by fax, at 301.443.0791.
