

# Medical Marijuana Loses in Oregon and South Dakota

November 4, 2010

---

Medical marijuana was on the ballot in three states: Oregon, South Dakota and Arizona. In [Oregon](#), Measure 74 would have expanded the state's medical marijuana law to establish a system of dispensaries to sell marijuana to registered medical users. It was defeated. In [South Dakota](#), Measure 13 was the second attempt in four years to legalize medical marijuana. It was also defeated. In [Arizona](#), Proposition 203 would legalize medical marijuana, but that election result is still too close to call.
