Pegged!

January 1, 2005 By Nick Burns

One-legged HIVer Hans-Otto Schiemann, 54, was arrested in Thailand October 18 and accused of infecting 90 women; the German native claims 1,000. Police suspect he retaliated against Thais for infecting him, though he refused an HIV test while in custody. Thailand lacks deliberate transmission laws, so feds are prosecuting him for overstaying his visa. He faces two years in jail, deportation and a *really* bad rep with the ladies.
