Helping the Playas Play Safe

June 19, 2012 By Lauren Tuck

As smartphones get more expensive and indispensable, the smartest thing to do is to safeguard them. Word to the truly wise: Get an iPhone case that not only protects your lifeline against dings and scratches but also protects your actual life—the case has a discreet space where you can hide two condoms.

The Playa Case can be purchased for $29.95 in black, white or pink. It’s a small price to pay for having protection at your fingertips.
