Positive Planet

HIV news and views from all over

July 1, 1998 By Belinda Filippelli

The sprawling problems spawned by HIV, and the creative efforts to solve them, vary as widely as the cultures and nationalities affected. Following is a list of just a few of the internationally minded newsletters and magazines covering the epidemic from near and far.

AIDS Action
Newsletter about AIDS prevention and care, published in English, French, Portuguese and Spanish. Quarterly. Free to readers in developing countries.
