Rubber Poll

May 1, 1999

For the 22nd annual National Condom Week, America’s first rubber shop, Condomania, surveyed 1,000 people (15 to 34) over the Internet in February. While most guys made no bones about buying rubbers, 47 percent of gals said it was “awkward, like watching a sex scene on TV with your parents.” Which celeb would they use their last condom with? Goldenboy Brad Pitt and *Party of Five*r Jennifer Love Hewitt topped the charts. As for which condom type turns them on, one sex said “super thin,” and the other, “ribbed.” Take a guess.
