

ViiV Gives \$2 Million to amfAR for Pediatric HIV in Asia

June 17, 2010

ViiV Healthcare has donated \$2 million to support the pediatric efforts of TREAT Asia (Therapeutics Research, Education and AIDS Training in Asia), an amfAR program based in Bangkok, according to an amfAR statement. The two-year partnership will provide funding to support the efforts of the TREAT Asia Pediatric HIV Program, including research, education and treatment for children living with HIV/AIDS in Cambodia, China, India, Indonesia, Malaysia, Thailand and Vietnam.
