June 10, 2021 By Will Golden

I’ve been living with this devil since 2001, but I’m doing great. I just started taking medication and am doing good. By the grace of God, I’m blessed.

What three adjectives best describe you?

Happy, good, blessed.

What is your greatest achievement?

To live long to help other people living with HIV. We can make it.

What is your greatest regret?

Having this devil on my back.

What keeps you up at night?

Just thinking.

If you could change one thing about living with HIV, what would it be?

Stop people from being negative about our illness.

What is the best advice you ever received?

I’m blessed, and I can make it because of God.

What drives you to do what you do?

God’s grace.

What is your motto?

“Keep God first.”

If you had to evacuate your house immediately, what is the one thing you would grab on the way out?

My bible.
