Adult Film Actress Cameron Bay Confirms She Has HIV

August 27, 2013

Cameron Bay, an adult film actress, has tested HIV positive, AVN News reports. According to a statement by the Free Speech Coalition (FSC), a porn industry trade association, two separate agencies confirmed the results. FSC claims there is no evidence of an on-set transmission of the virus. A moratorium on production will be observed until all partners have been notified, tested and cleared. In a statement to FSC, Bay confirmed she has HIV and that “my long-term plan is to take care of myself and my health.”
