

Dine Out and Raise Funds to Fight HIV on April 24

During Dining Out For Life 2025—kicking off Thursday—restaurants across the nation donate proceeds to local HIV groups.

Here's your chance to splurge on a great meal and feel good about it: The annual HIV fundraising event Dining Out For Life (#DOFL) kicks off in nearly 20 cities around the nation Thursday, April 24, with other cities holding events on different dates throughout the year.

Over a thousand participating restaurants—including pizza joints and food trucks—donate a portion of their proceeds for the day to local organizations that help the HIV community. These include LGBTQ centers, food banks, HIV service providers and more.

Sadly, in 2025, HIV service providers need your support more than ever. Many are facing dire financial setbacks as a result of the Trump administration's extensive budget cuts, including the withholding of grants that support HIV programs.

But now you can step up, pull up a chair to the table and help out by dining out. Each year, [according to Dining Out For Life](#), over 50 HIV service organizations partner with over 2,400 eateries, 4,100 volunteer and 300,000 diners to raise over \$4.5 million.

Visit DiningOutForLife.org to see whether your city participates and which restaurants are involved on which days. Plus, you can learn more about the HIV organizations in your neighborhood.

For example, this year marks the 20th anniversary of the Jacksonville, Florida, DOFL event, which supports the Northeast Florida AIDS Network and its Mary H. Lewis Food Pantry. Last year, the pantry provided 15,388 meals to nearly 600 unique visitors.
