

Everyday-June 2026

These dates represent milestones in the HIV epidemic. Visit poz.com/aidsiseveryday to learn more about the history of HIV and AIDS.

May 18, 2026 By Jennifer Morton

June

5 - HIV Long-Term Survivors Awareness Day

13 – Cashing Out premieres at the Provincetown International Film Festival. The documentary short focuses on the viatical settlement industry, in which people living with AIDS sold their life insurance policies to investors for immediate cash to cover medical costs and living expenses, and the investors would profit when the policyholders died. (2024)
