iCondom Locates Free Condoms in Philadelphia

April 14, 2011

The Philadelphia Department of Public Health (PDPH) and iCondom have launched iCondom Philly, an iPhone application that locates free condoms in Philadelphia, according to a joint statement. iCondom is in use in cities such as New York City, Paris and Washington, DC. The app is designed to supplement ongoing PDPH initiatives to reduce the rates of sexually transmitted infections (STIs) among adolescents in Philadelphia, such as takecontrolphilly.org.
