Javier Muñoz Invites You to “Hamilton” [VIDEO]

December 14, 2016

As described by the online cause marketplace Omaze:

> Hamilton is taking Broadway by storm, and now you can experience it all by supporting (RED). You and a friend will get flown out to New York City and score the best seats in the house for one of the best musicals in the world. Oh, and after Javier Muñoz takes the stage as Alexander Hamilton, he’s inviting you to hang out with him backstage in his dressing room at the Richard Rodgers Theatre. That’s right — go behind the scenes, pick Javier’s brain and see what goes down after the curtain closes. Spoiler: this might include a shot of liquor, so don’t throw away your shot… take it. And support a fight that’s near and dear to Javier’s heart while you’re at it. Flights and hotel included.

> Today and every day 400 babies are born with HIV. We can get that close to zero as soon as 2020 if we all act now.

> The life-saving ARV pills that prevent HIV+ moms from passing the virus to their unborn babies cost just 30 cents a day in sub-Saharan Africa. When you donate to win a (RED) experience on Omaze, you’re helping to ensure more moms get access to that medication, and you’re helping get closer to the goal of an AIDS FREE GENERATION.
