November 25, 2013

---

A new consumer web portal has launched to help people with HIV/AIDS navigate the Affordable Care Act (a.k.a. the health care reform law, or ACA), according to a statement by the Kaiser Family Foundation (KFF), which produced the site. Funded by Gilead Sciences, the “[Obamacare & You](#)” portal is part of the Greater Than AIDS initiative, which was developed by KFF and the Black AIDS Institute. The portal contains a Frequently Asked Questions section, a guide to ACA benefits and other tools.
