Guts & Glory

Author Tom Glenn knows about biases, battle scars and heroism. An undercover intelligence agent during the Vietnam War, Glenn was also, he says, the only heterosexual male volunteer, back in the 1980s, at Whitman-Walker's buddy program in Washington, DC. His days of caring for gay men dying of AIDS are fictionalized in *No-Accounts: Dare Mighty Things*. Don't you dare miss out on this phenomenal tale.

To read about the relaunch of GMHC's historic Buddy Program, read "Buddies Are Back!"

Tom Glenn's upcoming novel, The Trion Syndrome*, draws from his battle with post-traumatic stress syndrome following the Vietnam War. It will be released November 15, 2015.*
