A Discussion With My Doctor

June 10, 2013 By Shawn Decker

At my last doctor's appointment, I talked with my doctor about the recent "HIV cure within months!" headlines that were floating around online and also my decision to switch HIV meds. Part of that discussion is in this week's Shawn and Gwenn video, as well as an exciting new "Paging Doctor Decker" segment...

Which might just be a flash in the bed pan. Time will tell!

Hope this finds you well.

Positively Yours,
Shawn
