

AIDS Bear Weighs In on Teen Vogue

June 25, 2009 By [Shawn Decker](#)

Impassioned response to [yesterday's blog](#) about Teen Vogue wasn't limited to humans. Check out what Dab the AIDS Bear had to say about it.

"It is unbearable to think with the number of young people testing HIV positive in the United States that Teen Vogue would refuse to run a condom ad. Guess ignorance of HIV and AIDS in the United States is now in vogue in print as well as in media?" - [Dab the AIDS Bear](#)

Well said, Bear!

Positively Yours,
Shawn
