

Cash for The Stache? Let's Rock AIDS!

December 4, 2014 By [Shawn Decker](#)

You've seen the moustache... and more of me than you intended to this week... and, well, the time has come... so let's harness the full power of Freddie Mercury together!

[The fundraising drive for MTV Staying Alive is live- from now through Saturday you can make a minimum](#)

[donation of \\$8](#) (MTV Staying Alive and the Big Give fund drive is based in London- so a £5.00 donation roughly equates to \$8.) [Your donation](#) goes towards helping young people fight HIV in their communities around the world. But it also does much more.

For each dollar, Durex will supply 5 free condoms for young educators- meaning that your minimum donation of \$8 (£ 5.00) would provide 40 condoms!

What will happen regardless of whether the donation gets doubled? You'll [help vital prevention programs get funded](#). HIV is a complex problem, but proven strategies combined with a creative approach work in minimizing risk for HIV transmission... and [MTV Staying Alive](#) has an incredible track record.

So let's do this! Join me in making a donation today... or I'll post more pictures of me in the shower with this moustache. And yes, the drapes do match the curtains. Don't make me prove it.

We Are All Queen,
Shawn
