The new POZ Personals brings back one of our most popular features: Catch of the Day. This rotating promotional widget appears in prominent spots across not only POZ Personals but POZ.com too! It’s a great way to get a little extra attention for your profile.

As part of our effort to help spread the ’love,’ we introduced a new regular blog column in July to highlight a little bit more about members who have been selected for Catch of the Day. So please meet our September featured Catch of the Day members:
