Caterpillar Armageddon

May 5, 2008 By Shawn Decker

I shared the story of World AIDS Day 2006, when Kenneth Cole tried to talk Gwenn and I into some heavy petting in his storefront window.

I've used that painful memory as motivation to outraise his team in the AIDS Walk NY, especially since his team raised about $2500 more than Team Supersnack, whom I walk for. This year, we are leading them, but I'm beginning to wonder if I'll make it to the Walk...

This exchange, which meant nothing on Dec. 1st, 2006, is starting to make sense now:

Last Friday I mentioned the caterpillars. Today, I took this video. Please, watch and pray for my safety.

Positively Yours,

Shawn

The AIDS Walk NY is so close! Less than two weeks away. I’m hoping to meet my fundraising goal of $2500 (at $1650) before May 18... I think Kenneth Cole is behind the caterpillar attack.

In the NYC area? Gwenn and I are hosting the 3rd Annual Team Supernack Fundraiser on Friday, May 16. John Oliver of the Daily Show will be there, you should be too! CLICK for TICKET info and LOCATION!
