Condoms Are Bad? [VIDEO]

April 9, 2009 By Oriol R. Gutierrez Jr.

Pope Benedict XVI recently said that “[HIV/AIDS is] a tragedy that cannot be overcome by money alone, that cannot be overcome through the distribution of condoms, which even aggravates the problems.”

I shared my views on that quote in a previous post. For now, let’s just say that I totally disagree. Thankfully, I’m far from the only one who disagrees with the pope on this issue.

In an effort to add some levity to the discourse on this issue, Patrick Boivin has created a YouTube video depicting a showdown between the pope and Jesus himself.

Some people may find this video offensive, but I’m obviously not one of those people.
