

Congrats to the Labtest Contest Winner: Mary!

February 4, 2013 By [Shawn Decker](#)

This time around the winning guess- which came under the wire this weekend- was 583... just two t-cells off of my actual count, which was 585! What's interesting is that the champion, Scott Anderson, was way ahead of everyone in the field with a guess of 588 until Mary swept in and bested him by just one little ol' t-cell...

So congratulations to Mary!

New videos will be posted on the blog tomorrow. Hope everyone had a great weekend.

Positively Yours,
Shawn
