

# Congrats to Wanda- The New T-Cell Champ!

February 28, 2014 By [Shawn Decker](#)

**✘ With a guess of 591, and my actual t-cell count coming in at 590, we have a new t-cell champion in Wanda Vawser! (That's her lovely dog, Oscar, joining in the celebration and helping to let Wanda know about the good news.)**

Thanks to everyone who participated. My hat's off to the new champion. Wanda, you've been such a kind supporter of the HIV/AIDS work I do. It's my absolute pleasure to be sending the signed copy of Body Counts your way!

Positively Yours,  
Shawn
