Editor’s note: We’re excited to introduce you to our newest POZ bloggers: David L. Massey and Johnny T. Lester. When we first came across their web series on [DavidAndJohnny.org](#), we were immediately won over by their charm, intelligence and humor—and by the subject matters they explore as a serodiscordant couple (that means one of them is living with HIV while the other is not).

Watch below as they promo their new Table Talk series for [POZ.com](#). And be sure to visit here regularly for upcoming posts and videos. We’re really looking forward to hearing more from these guys—and so will you.
