

Decision 2011

September 26, 2011 By [David Ernesto Munar](#)

petitions that the Michigan AIDS Coalition is collecting to weigh in with both state elected officials and with Reps. Camp and Upton on their next big decisions. Please fill them out and we'll make sure they get to the appropriate offices.

The national media is focused on the 2012 presidential election but the truth is that vital decisions affecting our future will not wait. The decisions being made now by the congressional Super Committee and at state houses across the nation will impact future generations and the pace, scale and speed of the fight against AIDS over the next decade. Please weigh-in with your petitions and join the Michigan AIDS Coalition to ensure your lawmakers play a key role in deciding the outcomes.

Thanks you for your attention and incredible support for the fight. I raise my glass to you.
