

Eating Out AIDS 2012

April 26, 2012 By [Shawn Decker](#)

Yes- I meant to post that as the title of this blog post. I've decided that Dining Out For Life needs an image overall after one of my friends at dinner said that "Dining Out For Life" makes it sound like a pro-life rally. Which, it is: a pro-life rally for people living with HIV/AIDS.

So, to erase any confusion, I've decided to call it "Eating Out AIDS". I don't think this will catch on, and maybe fewer restaurants would sign up for something called this. But I like it- it has a ring to it. Here's a picture of me and friends Eating Out AIDS tonight at Blue Moon Diner. Thanks again to The Nook, Sticks and Escape for also participating in this delicious fundraiser for AIDS Services Group!

Positively Yours,
Shawn
